

Code, test and deploy Smart Contracts using AEProject

Universe Two Hæckathon / August 2022

What is AEProject?

What is AEProject?

Smart Contract Testing Framework

- Documentation: <https://docs.aeternity.com/aeproject/main/>
- Repository: <https://github.com/aeternity/aeproject>

How does
AEPProject work?

Deployment using CLI

Deployment using CLI

Aeternity Blockchain Interaction CLI

- Documentation: <https://github.com/aeternity/aepp-cli-js/blob/develop/CLI.md>
- Repository: <https://github.com/aeternity/aepp-cli-js>

Thanks !
